

# **Grant Program**

## Keeping Alive Memories of Jewish Life in Heidelberg

### **A. Purpose of the Grant**

The City of Heidelberg sets great store by maintaining and refreshing contact with its former fellow citizens of Jewish faith as one way to keep history alive.

Since 1996, when the City of Heidelberg first extended an invitation to its former fellow citizens of Jewish faith, many of them have met repeatedly in their old home town. These visits have helped to develop some close and lasting friendships. As the City of Heidelberg would like to stay in contact with the descendants of these former Heidelbergers, too, they can receive support for a visit to Heidelberg under this grant program.

### **B. Scope of Funding and Eligibility**

- (1) Eligible to apply for funding is the first generation of descendants of former Heidelberg citizens of Jewish faith.
- (2) The proposed visit to Heidelberg is required to take a minimum of two days.
- (3) The City of Heidelberg may award a 500 Euro grant per visit to Heidelberg.
- (4) Funding is limited to one visit to Heidelberg per descendant.
- (5) The aim of the funding is to help reduce travelling expenses and the expense of staying in Heidelberg.
- (6) Besides the grant funding specified in paragraph (3), the City of Heidelberg offers to arrange a meeting with one of its official representatives (depending on schedule and availability) to interested applicants.

### **C. Application Requirements and Disbursement**
